

**The Center for Courageous Kids is hosting a Traumatic Brain Injury Family Retreat
February 5-7 and we need your help to recruit families!**

The Center for Courageous Kids is a state-of-the-art non-profit medical camp facility with the mission to uplift children who have serious illnesses and conditions by creating experiences year-round that are memorable, exciting, fun, build self-esteem, are physically safe, and medically sound.

In February 2008 we opened our doors to serve children and their families that suffer from chronic medical conditions and life-threatening illnesses. Our founder, Elizabeth Turner Campbell, had a son that fought a 17 year battle with cancer. Her dream was to have a facility that ill children could go and put their worries to the side and just have fun. I have attached a "Fact Sheet" that outlines information about our camp. Additional information can also be found on our website at www.courageouskids.org.

We offer a year round camping opportunity which is very unique in this area. We are located in South-Central Kentucky (Scottsville)— about 1 hour north of Nashville. We host illness-specific Family Retreats Weekends during the spring and fall. Children between the ages of 3 and 17 and their families can come and enjoy a fun filled weekend and have the opportunity to network with other families that have similar circumstances. We also offer 9 weeks of illness-specific traditional summer camps for children between the ages of 7 and 15. We offer many activities such as bowling, indoor swimming, arts and crafts, led horseback riding, rock climbing wall, a beauty salon, woodshop, cooking, and many others.

All of our camps are free of charge for the families and children. We operate on donations and by developing partnerships with organizations and foundations.

The Traumatic Brain Injury Family Retreat February 5-7 is open to families of children and adults with TBI. (We ask that all adults with TBI also have family members or a "buddy" attend with them.) The attached Family Retreat application and more information can be found on our website, www.courageouskids.org, under the Camper Applications tab. Step 1 of the application is filled out online. Step 2 is printed off and completed, then signed by a physician and mailed or faxed to us along with a copy of the insurance cards of everyone attending.

If you have any questions, please feel free to contact me. Thank you for your help!
